

**FELLOWSHIP READING SCHEDULE:
KNOWING GOD
By J.I. Packer**

The devotional reading is purposely sectioned in order that our reading for both men's and women's fellowship is fairly around the same topic. Please attempt to have all reading done, and questions answered by the beginning of the fellowship meeting each month. ***The reading plan is as follows.***

<u>Month</u>	<u>Page Number</u>
1. February	17-32 (Chapters 1-2)
2. March	33-64 (Chapters 3-5)
3. April	65-98 (Chapters 6-9)
4. May	99-127 (Chapters 10-12)
5. June	128-199 (Chapters 13-18)
6. July:	200-278 (Chapters 19-20)

Note: I understand that some will finish before the due date, my advice is that we do not spend time reading nothing, rather you **MAY** mark down Scriptures, or topics for items that you would like to further study.
